8. From the Secretary & Correspondent, Tirumala College of Nursing, Nizamabad, dated 24-9-2010
9. Government Lr.No.14550/K1/2010, HM&FW (K1) Dept., dated 1-2-2011.
10. From the Chairman, High Power Committee, Hyderabad Lr.Rc.No.282/HPC/2010, dated. 09-2-2011.
11. From the Chairman, Tirumala College of Nursing, Armoor, Nizamabad District, Letter No.TCON/954/2011, dated.2-7-2011

ORDER:

In the G.O.1st read above, permission was accorded to Tirumala Medical Academy, Tirumala Hospital Complex, Mamidipally, 'X' Road, Armoor, Nizamabad District to establish Tirumala Nursing College at Dr. Venkata Nursing Home, Nizamabad Road, Armoor, Nizamabad District and admit a maximum of 50 students per year for the course. Further in the G.O. 2nd read above permission was accorded to start M.Sc. (Nursing) course in B.Sc. Nursing colleges without Essentiality Certificate /No Objection Certificate of State Government which are permitted by Indian Nursing Council, New Delhi from the academic year 2008-2009 in Tirumala College of Nursing with an intake capacity of 6 (six).

2. In the letter (dated 16-8-2010) 6th read above, the Chairman, High Power Committee, Hyderabad has stated that Tirumala Medical Academy Educational Society has applied for additional seats in M.Sc., Nursing programme and requested the Government to reject the proposal. Having examine the inspection report of the District Level Team together with the remarks of the Chairman, High Power Committee, Hyderabad, Government in the letter dated 16-9-2010 has communicated the following deficiencies to the Secretary & Correspondent, Tirumala College of Nursing, Nizamabad with a request to get the deficiencies rectified and submit compliance report to Government.

1. The applicant is not having 200 bedded own hospital facility or has obtained hospital/hospitals not more than two in number situated within a radius of 10 Kms., to the applicant institution under registered long lease for a period not less than 20 years as per notification.
2. As regards teaching faculty, while the applicant should have a teaching faculty of 5 members (Reader/Associate Professors), the inspection report shows only 3 Associate Professors.

3. In response to the Government letter 7th read above, the Secretary & Correspondent, Tirumala College of Nursing has submitted the compliance report vide reference 8th read above. The same was sent to the Chairman, High power Committee and requested to cross verify whether the deficiencies as pointed in his letter dated 16-8-2010 are complied on the ground and send a report to Government for taking further action in the matter.

PTO.

4. In the reference 10th read above, the Chairman, High Power Committee, Hyderabad has informed that Tirumala Medical Academy Educational Society has applied for additional seats in M.Sc., Nursing Programme. While scrutinizing the proposal, it was noticed initially that the applicant institution own Tirumala Hospital 100 bedded; taken on lease Sri Sai Hospital, Nizamabad and M/s Genesis Hospital, Nizamabad 100 bedded. Having scrutinized the proposal, it was found that the applicant has not complied with the infrastructure required as per rules, more particularly hospital facility and teaching faculty and as per his office letter dated 16-08-2010, the Government was addressed to reject the proposal. Government vide letter dated 16-09-2010 has directed the Secretary & Correspondent, Tirumala College of Nursing, Nizamabad to rectify the defects. Thereupon the applicant has made a representation mentioning that the defects pointed out in the Government letter dated 16-09-2010, were duly complied with. Having carefully examined the entire records in the matter, it is noticed that the applicant society has not complied with the defects as pointed out as mentioned hereunder:-

- a) The first objection is hospital facility: The applicant should have 200 bedded either own hospital or not more than 3 hospitals taken on lease for a period not less than 20 years within a radius of 10 Kmtrs., and the lease should be a registered one. The applicant states that it was having 100 bedded own hospital known as 'Tirumala Hospital'. District Level Team also admit that the applicant is owning 100 bedded hospital i.e., Tirumala Hospital. Adverting to the other 100 bedded hospital facility, the applicant has stated that the applicant society has taken on lease Sri Sai Hospital, Nizamabad and M/s Genesis Hospital, Nizamabad (100 bedded). The applicant has shown Government Hospital also to the District Level Team as one, being used by him, but no document is placed on record to show that he was permitted to use the Government Hospital by the Government. The applicant files two lease deeds to show that he has obtained 20 years lease of Sri Sai Hospital (100 bed strength) and M/s Genesis Hospital (100 beds) both located at Nizamabad. The applicant has enclosed Xerox copies of lease deed regarding Sri Sai Hospital 100 bedded and M/s Genesis Hospital 100 bedded. Those two documents are not taken on papers which are sufficiently stamped and the documents are also not registered. A lease for a period of 20 years regarding property worth more than Rs.100/- is not valid as per Indian Registration Act read with Indian stamps Act unless the deed was taken on adequate stamp papers and duly registered. Thus these two documents are not valid documents. Thus adverting to hospital facility, though the applicant is having 100 bedded hospital, it failed to establish ownership / valid long lease for another 100 bedded hospital.
- b) The second objection is, regarding faculty. In his office letter dated 16-8-2010 it was pointed out that while the applicant should have 5 faculty members, Readers / Associated Professors, the applicant has shown only 3 faculty members. As per compliance report dated 24-9-2010 submitted by the applicant has shown 2 faculty members and relevant documents are also enclosed. Thus so for the faculty is concerned, there is no deficiency.

5. The Chairman, High Power Committee, Hyderabad has submitted that in the light of the observations made regarding hospital facilities, the applicant has not satisfied the condition regarding ownership / registered long lease with regard to hospital. Consequently, it is a case where the applicant has not complied with the formalities regarding hospital facilities and hence the proposals dated 16-8-2010 requesting the Government to reject the proposal holds good and accordingly the request has been rejected by the Government after due verification of relevant factors.

6. In the reference 10th read above, the Chairman, Tirumala College of Nursing, Armoor has submitted a representation wherein he has stated that the Indian Nursing Council has inspected the College and permitted for enhancement of the M.Sc. (Nursing) seats from 06 to 15 numbers for the academic year 2010-11. After getting the permission from the Indian Nursing Council, they have requested the Government to issue orders for enhancement of M.Sc. Nursing seats. Accordingly, the Government has requested the High Power Committee to depute an inspection team. Therefore, the High Power Committee deputed the inspection team and the said team inspected their college and recommended to

enhance the existing seats from 06 (six) to 25 (Twenty five) (i.e. Five in each speciality) to the Chairman, High Power Committee. But, the Chairman, High Power Committee., found some deficiencies and accordingly, Government has requested the Secretary & Correspondent of the college to rectify the deficiencies and submit the compliance report. In the reference 8th read above, they have submitted the compliance report on 24-9-2010 to the Government, after rectification of the deficiencies, and they have stated that their college which was started during 2001-2002 in rural Telangana was the only college which got permission from Indian Nursing Council to start M.Sc. Nursing from 2009-10. Therefore, they have requested the Government for enhancement of seats from 06 (six) to 25 (Twenty five), to benefit the students from the academic year 2010-11.

7. Government after careful examination of the matter has decided to accept the request of the Chairman, Tirumala College of Nursing, Bardipur (v), Nizamabad District, which has been managed by Tirumala Medical Academy Educational Society, Armoor, H.No.4-74/A2/1, Armoor Village and Mandal, Nizamabad District and accordingly permission is hereby accorded to enhance intake capacity in M.Sc. (Nursing) from the existing (six) 6 to (twenty five) 25 in (five) 5 specialties, subject to fulfilling the deficiencies raised by the Chairman, High Power Committee, Hyderabad in his letter 8th read above, in regard to hospital facilities etc.

8. The Registrar, Dr.NTR University of Health Sciences / The Director of Medical Education, A.P., Hyderabad shall take necessary action in the matter accordingly, subject to condition that the said College of Nursing shall comply with the deficiencies in regard to hospital facilities as raised by the Chairman, High Power Committee.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)

G. SUDHIR
SPECIAL CHIEF SECRETARY TO GOVERNMENT
